STAT

Dear

Thank you for your letter of February 4, 1988, advising me of the possibly confusing situation at the dual right turn lanes for the C.I.A. Access Road. I have reviewed this, and I agree that some changes are necessary. I have asked our Traffic Engineering Section to assist in this effort. I will contact you when we have completed our review.

We appreciate your interest and participation in this project, and enjoy your input.

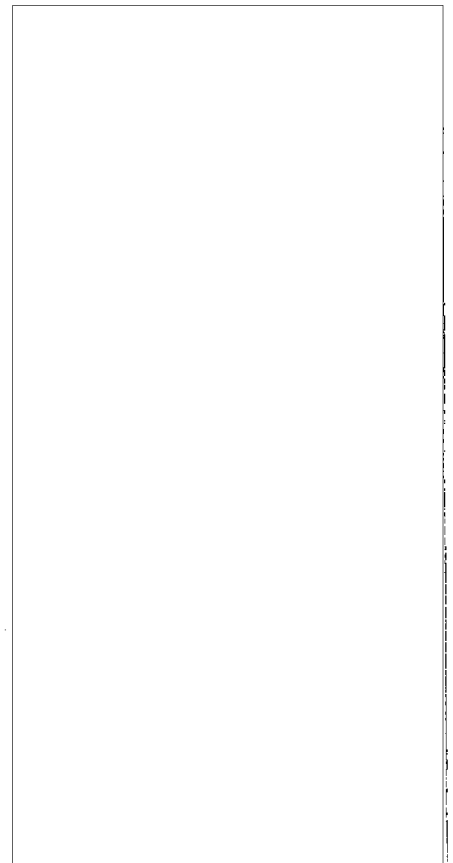

STAT

Sincerely,

A handwritten signature in cursive script, appearing to read "D. Silies".

Donald E. Silies, II
